Say hello to

35 BRAND-NEW PM MAGENTA BOOKS!

The **PM Guided Reading** series equips students with the skills required to become a balanced reader. The 35 new **PM Magenta** books are written to our strict levelling criteria ensuring student reading and comprehension success, and enjoyment. Teaching information is included in every inside front cover, including key high-frequency words, language structure, picture discussion, concepts about print and literal and inferential comprehension questions.

Topics include:

Family

Friendship

Pets

Toys

Animals

The world
around us

INTRODUCING 5 BRAND-NEW WORDLESS BOOKS!

Level 1

The five wordless texts are designed to develop the oral literacy skills of beginner readers. They will also introduce students to the structure of the narrative and information report text types, while encouraging them to retell stories and describe factual events.
