WHAT SEPARATES SIMPLE MEMORISATION FROM TRUE UNDERSTANDING? **ENGAGEMENT.**

Built on principles of learning design and created hand-in-hand with educators, Cengage Learning solutions focus on engagement, taking students through the levels of application, analysis, and critical thinking with depth and context unmatched in the market.

MindTap  **THINK LIKE A MANAGER**
Through personalised paths of dynamic assignments and applications, MindTap® is a digital learning solution that turns cookie cutter into cutting edge, apathy into engagement, and memorizers into higher-level thinkers.

writexperience Write Experience will help students write effectively without adding to your workload! Write Experience uses artificial intelligence to score student writing instantly and accurately. It also provides students with detailed revision goals and feedback on their writing to help them improve written communication and critical thinking skills.

LivePlan LivePlan from Palo Alto Software is a proven web-based business plan software that allows your students to work as teams, receive intuitive advice, and produce a professional-grade business plan through software used by real entrepreneurs.

YOUSEEU YouSeeU uses the power of digital video to facilitate group projects and role plays that engage students in and outside of class.

4LTR Press Online gives your students a digital learning experience like no other. With a modern, accessible design, integrated media, full text, and multiple study tools, your students will have everything they need at their fingertips.

Digital Solutions are available for your course! Look for logo(s) Accompanying the cover image of your selected product(s).
