

PM eCollection

Recommended Technical Requirements

Multiple students can access their accounts on a single iPad, making PM eCollection ideal for both 1:1 iPad adoptions and a shared device model.

Recommended browsers and devices are shown below.

Student eReader iPad App

1. Supported Devices

NOTE: The student eReader App is only available for the iPad and can't be used on Android or Windows tablets or desktop computers.

Device	Version of operating system	
iPad Air 1 and 2	IOS 6, 7 and 8	
iPad 2, 3 and 4	IOS 6, 7 and 8	
iPad Mini 1, 2 and 3	IOS 6, 7 and 8	Not recommended because the screen may be too small for some early readers

How to check device type:

<http://support.apple.com/en-us/HT201471>

How to check version of operating system:

<http://support.apple.com/en-au/HT201685>

2. Internet Access and Connectivity

Although books can be downloaded onto the device, you will still require an internet connection to use the app's syncing and teacher analytic features.

You can check the speed of your network here:

<http://www.ozspeedtest.com/>

We recommend that you contact your school's network administrator for further help and advice.

3. Disk Space

Each eBook is roughly 5MB to 10MB in size.

We recommend your iPad have at least 100MB of free space for regular classroom use of 10 to 12 books.

Teacher's Admin Dashboard

We recommend that teachers keep their browsers up-to-date to achieve best performance.

1. Supported Browsers

Browser	Version	Platform
Internet Explorer	10, 9 and 8	Windows
Firefox	The last 2 released versions	MAC and Windows
Chrome	The last 2 released versions	MAC and Windows
Safari	6, 5	MAC and IOS Devices

How to check your browser version:

<http://maint.cengagelearning.com.au/check/>

Note that JavaScript must be turned on and cookies must be enabled.

2. Screen Size

Optimised to work on tablet and desktop screens with a resolution of 1024 x 768 pixels.

3. Other Hardware

We recommend that you have access to speakers or headphones for audio content.
