More than 5000 eBooks, digital-first content and online solutions that work with your LMS

cengage.com.au/university/instructor

Digital solutions are available for your course! Look for the icon/s accompanying the cover image of your selected titles.

MindTap is the personalised platform that solves your eLearning needs.

Integrating course materials with interactive resources, **MindTap** creates a unique learning path that fosters increased comprehension. Track your students' progress in real time, and tailor your course and lectures based on the analytics – **MindTap** gives you the freedom to customise every element of your course.

Improve learning outcomes and elevate thinking with **Aplia**: the premier online assignment solution that helps students to better prepare for class and exams.

Aplia assignments connect concepts to the real world and focus on the unique course challenges facing students. Every question is automatically graded, with immediate explanations that link back to the online text so that students can review concepts.

CourseMateExpress Brings course concepts to life with digital study and practice materials that complement your course content.

CourseMate Express includes interactive teaching and learning tools including quizzes, flashcards, videos, and Engagement Tracker, a first-of-its-kind tool that monitors student engagement in the course. Also available as **CourseMate** with a fully integrated eBook.

Fast and easy to use, **Got it! Accounting** helps students to understand key topics, from business structures to budgeting.

Got it! addresses eight key accounting concepts in a simple and comprehensive way – allowing students to go at their own pace. Using the unique revision model, students sort through the eight key topics and make sure they really have 'got it'.

CNOW is a teaching and learning resource that provides more control in less time, and delivers better student outcomes. Create assignments, grade, quiz, and track student outcomes. Diagnostic Personalised Study Plan (featuring a chapter-specific Pre-test, Study Plan, and Post-test) empowers students to master concepts, prepare for exams, and get a better grade.

INTRODUCTION TO ACCOUNTING (MAJORS)

FINANCIAL ACCOUNTING: AN INTEGRATED APPROACH, 6E

Trotman | Carson | Gibbins
ISBN: 9780170349680
776pp | Paperback | eBook | LMS integration
© 2016

The sixth edition of this popular and respected textbook builds on the previous editions, drawing on topical and contemporary issues to make accounting interesting and relevant for today's students.

- Makes clear the importance of accounting information by frequent reference to current material
- The authors write about companies, rather than spending introductory chapters concentrating on sole traders
- Frequent references are made to the content of annual reports; students learn about real companies and can follow their performance in the newspapers or the share market
- Carefully balanced depth of technical knowledge to challenge and inspire both accounting and non-accounting majors

Available with  

TABLE OF CONTENTS

1. Introduction to financial accounting
2. Measuring and evaluating financial position and financial performance

INTRODUCTION TO ACCOUNTING (NON-MAJORS)

ACCOUNTING: INFORMATION FOR BUSINESS DECISIONS, 3E

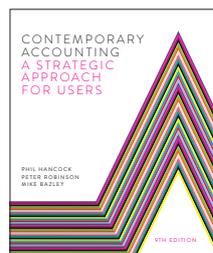

Cunningham | Nikolai | Bazley |
Kavanaugh | Slaughter | Simmons
ISBN: 9780170385411
560pp | Paperback | eBook | LMS integration
©2018

A business-focused introduction to accounting for all students – not just those intending to be accounting majors. Departing from the traditional approach taken by other textbooks, students apply both managerial and financial approaches within the topics examined in each chapter. The conversational writing engages students in the theoretical content and how it applies to contemporary real-world scenarios.

- NEW Show students how accounting works in a chapter-by-chapter coverage of a real-world business. Long-form business case study – Café Revive – continues throughout the text
- NEW Students apply accounting knowledge and critical thinking skills to solve an everyday problem with end-of-chapter 'Dr Decisive' letter
- NEW Flip the classroom with MindTap for Accounting

Available with  MINDTAP
From Cengage

CONTEMPORARY ACCOUNTING: A STRATEGIC APPROACH FOR USERS, 9E

Hancock | Robinson | Bazley
ISBN: 9780170261999
720pp | Paperback | eBook | LMS integration
© 2015

This bestselling introduction to accounting is now in its ninth edition, setting the standard for accounting education in Australia and New Zealand. The book is updated throughout to better integrate financial and management accounting. Suitable for a one-semester course at undergraduate or MBA level, for both accounting and non-accounting majors.

- Co-author Peter Robinson (Curtin/UWA) and lead author Dr Phil Hancock (UWA), and new author for all digital supplementary material Dr Peta Stevenson-Clarke (RMIT)
- Focus on the role and decision-making needs of the non-accounting executive
- Integrated framework-oriented approach to relay the interconnectedness between the financial accounting chapters and the management accounting chapters
- Chapter on Introduction to Managerial Accounting
