MindTap Asset Description

Electrical Trade Practices, 2nd edition

Berry, Cahill & Chadwick

Learning path location	Activity	How many	What is it	Seat time	Why it matters
LEARN	Reading Activities	In all chapters	This is where the core text content lives. It is an interactive eReader with integrated tools for students and instructors, including interactive figures that help bring concepts to life. Students can search, jump to sections, highlight, take notes, have the text read aloud, define words and more.	Varies by student	This interactive eReader serves as a foundation and reference of content for the course
LEARN	Summing Up…	In all chapters	Summing Up.. activities are automatically graded assignments that assess students' basic understanding of key concepts presented in each section of the chapter.	2-3 mins per quiz	These questions ensure that students are familiar with basic concepts before coming to class so you can go further with the time you have, building upon that base level of knowledge.
APPLY	Worksheets	In all chapters	Downloadable worksheets which encourage students to work through selected additional questions	3-5 mins per question.	Worksheets allow students to put their learning into practice and check their understanding of key chapter concepts and equations.
REVISE	Revision Quiz	In all chapters	Interactive quizzes covering all chapter concepts are applied to Electrotechnology scenarios and are automatically graded.	10 minutes.	These quizzes help to move students beyond basic understanding, requiring them to apply their knowledge rather than simply recalling information from the chapter.
REVISE	Review Exercises	In all chapters	Questions to assess student understanding of key elements and criteria of competency units	Varies by chapter. Approx. 30 minutes	Revision for preparation for final assessment
ASSESS	Test bank	In all chapters	Instructor assignable questions. Each chapter has approx.: 5 multiple-choice & 5 short answer questions.	n/a	These assessment questions help you create, customise and deliver tests in minutes.
