

## Five key spelling strategies

### Sound strategy

You can write some words by thinking about the sounds you hear in the word.

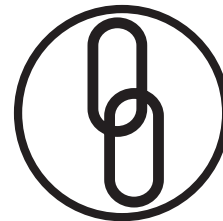

### Visual strategy

You can write some words by thinking about the way the word looks and possible letter patterns.

### Meaning strategy

You can write words by thinking about their meaning, structure and origin.

### Connecting strategy

You can use what you know about one word to help you spell another word.

### Checking strategy

People, books, charts and electronic devices can help you to check your spelling.
