

NELSON PROFESSIONAL LEARNING WORKSHOPS

PRESENTED BY CARMEL SMALL – PROFESSIONAL DEVELOPMENT CONSULTANT

Nelson Professional Learning is pleased to invite you to a **Best Practice for Writing Success** workshop, designed to support the importance of teaching writing in order to develop highly competent writers.

We will look at the writing demands of a range of *Victorian Curriculum* texts and how to explicitly teach students to structure their writing appropriately, using their understandings of text structure, vocabulary and grammatical features. We will also examine the success of the use of formative strategies for monitoring students' writing.
