Bingo 5

DATE:

★ Play a game.

You will need:

- a dice with a ★ sticker covering the 6 
- a partner 

Make your bingo grid:

- Roll the dice and say the number to your partner.
- Your partner writes the number in a box below.
- Take turns rolling the dice and saying the number until every box has a number in it.
- If you roll a ★, you can choose 1 2 3 4 or 5.

How to play:

- In turn, roll the dice.
 - Say the number. If you have that number in a box, colour it in.
 - When you have coloured 5 numbers in a row, you win.
- Good luck!
